

GREAT LAKES-ST. LAWRENCE LEGISLATIVE CAUCUS

FEDERAL GREAT LAKES AND WATER LEGISLATION, 2017-'18

(This list of bills is based on staff research. If you know of legislation that should be added to the list, please contact Tim Anderson at 630.925.1922 or tanderson@csg.org.)

Bill Number	Description	Primary sponsor/author	Status
H.R. 2 (Agriculture and Nutrition Act)	Continue Regional Conservation Partnership Program, other water protection and conservation measures (part of farm bill)	U.S. Rep. Michael Conaway (Texas)	Different versions of farm bill passed by House and Senate
H.R. 8 (Water Resources and Development Act)	States that it is “the sense of Congress that the construction of a new lock at the Soo Locks ... is vital to our national economy, national security;” requires completion by February 2019 of final feasibility study of Great Lakes Mississippi River Interbasin Brandon Road Study; among many other provisions	U.S. Rep. Bill Shuster (Pennsylvania)	Passed by U.S. House
H.R. 301 and S. 3037 (NIST Plumbing Research Act of 2017)	Establish a lab within National Institute of Standards and Technology to promote innovative technologies that improve public safety, system reliability and water efficiency in homes and businesses	U.S. Rep. Matt Cartwright (Pennsylvania) and U.S. Sen. Tammy Duckworth (Illinois)	Referred to respective committees
H.R. 458 (Preserve Our Lakes and Keep Our Environment Safe Act)	Require secretary of Transportation to conduct study on economic and environmental risks to Great Lakes oil spills and leaks	U.S. Rep. David Trott (Michigan)	Referred to Subcommittee on Environment

MIDWEST

Bill Number	Description	Primary sponsor/author	Status
H.R. 465 (Water Quality Improvement Act)	Provide local governments with long-term flexibility in achieving the goals of providing clean water and meeting federal mandates	U.S. Rep. Bob Gibbs (Ohio)	Referred to Subcommittee on Water Resources and Environment
H.R. 861	Terminate the U.S. Environmental Protection Agency	U.S. Rep. Matt Gaetz (Florida)	Referred to Subcommittee on Environment
H.R. 961 (Ban Aquaculture in the Great Lakes Act)	Ban aquaculture facilities in the Great Lakes	U.S. Rep. Dan Kildee (Michigan)	Referred to Livestock and Foreign Agriculture Subcommittee
H.R. 962 (Preserve Fishing on Wild and Scenic River Act)	Prohibit operation of aquaculture facilities that contribute to pollution of wild and scenic rivers	U.S. Rep. Dan Kildee (Michigan)	Referred to Livestock and Foreign Agriculture Subcommittee
H.R. 1068 (Safe Drinking Water Act Amendments)	Enable new standards related to lead, other contaminants in drinking water; provide grants to upgrade water infrastructure	U.S. Rep. Frank Pallone (New Jersey)	Referred to Subcommittee on Environment
H.R. 1105 (Stop WOTUS Act)	Repeal the federal Waters of the United States rule	U.S. Rep. Rick Allen (Georgia)	Referred to Subcommittee on Water Resources and Environment
H.R. 1154 and S. 168 (Commercial Vessel Incidental Discharge Act)	Establish a single ballast water standard; prohibit states from enforcing their own standards/rules on ballast water discharges; make the U.S. Coast Guard the single agency in charge of enforcing ballast water and vessel discharge regulations (removing EPA authority)	U.S. Rep. Duncan Hunter (California) and U.S. Roger Wicker (Mississippi)	H.R. 1154 referred to Subcommittee on Water Resources and Environment; S. 168 passed by Senate Commerce, Science and Transportation Committee
H.R. 1261 (Federal Regulatory Certainty for Water Act)	Clarify definition of “navigable waters” in the Clean Water Act	U.S. Rep. Mac Thornberry (Texas)	Referred to Subcommittee on Water Resources and Environment
H.R. 1348 (Investing in Testing Act)	Require CDC to complete study on human health implications of per- and polyfluoroalkyl substances contamination in drinking water	U.S. Rep. Sean Maloney (New York)	Referred to Subcommittee on Health
H.R. 1357 (Stamp Out Invasive Species Act)	Provide for the issuance of a semipostal to benefit programs that combat invasive species	U.S. Rep. Elise Stefanik (New York)	Referred to Biotechnology, Horticulture and Research Subcommittee
H.R. 1488 and S. 599	Rename Indiana Dunes National Lakeshore as Indiana Dunes National Park	U.S. Rep. Pete Visclosky (Indiana)	H.R. 1488 passed by House
H.R. 1579 (Secure and Resilient Water System Act)	Require drinking water systems to address their vulnerabilities	U.S. Rep. Scott Peters (California)	Referred to Subcommittee on Environment

Bill Number	Description	Primary sponsor/author	Status
H.R. 1580 and S. 859 (Great Lakes Fishery Research Authorization Act)	Authorize funding for U.S. Geological Survey's Great Lakes Science Center, which provides scientific information on protecting species and their habitats in the Great Lakes basin ecosystem	U.S. Rep. Mike Quigley (Illinois) and U.S. Gary Peters (Michigan)	Referred to respective committees; funding included in S. 1514
H.R. 1647 (Water Infrastructure Trust Fund)	Establish a Water Infrastructure Trust Fund; create a voluntary labeling and contributory system to which businesses that rely on a clean water source could opt-in	U.S. Rep. Earl Blumenauer (Oregon)	Referred to Subcommittee on Environment
H.R. 1653 (Drinking Water Affordability Act)	Increase flexibility for state and local governments to meet their specific needs, to develop cost-efficient ways to protect drinking water, and to ensures funds are used efficiently and effectively	U.S. Rep. Bob Latta (Ohio)	Referred to Subcommittee on Environment; some provisions included in H.R. 3387
H.R. 1673 (Water Affordability, Transparency, Equity and Reliability Act)	Establish trust fund to provide adequate funding for water, sewer infrastructure; impose tax on offshore corporate profits to provide money to fund	U.S. Rep. John Conyers (Michigan)	Referred to Subcommittee on Commodity Exchanges, Energy and Credit
H.R. 1893 (Great Lakes and Fresh Water Algal Bloom Act)	Authorize NOAA to conduct research on algal blooms in Great Lakes, their tributaries, and surface fresh waters; requires findings be reported to U.S. Congress	U.S. Rep. Bob Latta (Ohio)	Referred to Environment Subcommittee
H.R. 1969 (SHARED Act)	Prevent contamination of drinking water by requiring baseline water testing of sources near planned fracking sites; require disclosure of test results	U.S. Rep. Jan Schakowsky (Illinois)	Referred to Energy and Commerce Committee
H.R. 1971 , H.R. 2355 and S 692	Provide states, municipalities with greater flexibility to manage their wastewater and stormwater systems	U.S. Rep. Lloyd Smucker (Pennsylvania), U.S. Rep. Robert Latta (New York) and U.S. Sen. Deb Fischer (Nebraska)	House bills referred to committee; S. 692 passed by Senate
H.R. 1974 (NO LEAD Act)	Lower action level of lead permitted in drinking water from current level of 15 parts per billion (ppb) to 10 ppb by 2020, and 5 ppb by 2026; require water testing of homes at high risk of exposure; replace lead service lines; among other provisions	U.S. Rep. Dan Kildee (Michigan)	Referred to Energy and Commerce Committee
H.R. 2001 (FRESHER Act)	Require oil and gas producers to obtain permits for activities that increase storm-water runoff and risk water pollution	U.S. Matt Cartwright (Pennsylvania)	Referred to Transportation and Infrastructure Committee
H.R. 2012 and S. 865 (FRAC Act)	Ensure federal regulation of fracking; require public disclosure of chemicals used in fracking	U.S. Rep. Diana DeGette (California) and U.S. Sen. Bob Casey (Pennsylvania)	Referred to respective committees
H.R. 2094 (Lead-Free Schools Act)	Amend the Safe Drinking Water Act to increase lead testing in schools; provide for competitive grant program to replace water infrastructure in schools	U.S. Rep. Josh Gottheimer (New Jersey)	Referred to Environment Subcommittee

Bill Number	Description	Primary sponsor/author	Status
H.R. 2328 (Low Income Sewer and Water Assistance Program Act)	Establish a pilot program that awards grants to at least 10 eligible entities for assisting low-income households maintain access to water and sewer services.	U.S. Rep. Marcia Fudge (Ohio)	Referred to Water Resources and Environment Subcommittee
H.R. 2479 (Leading Infrastructure for Tomorrow's America Act)	Invest in infrastructure, including \$22.8 billion for drinking water state revolving funds, prevention of lead in schools' drinking water and replacement of lead service lines	U.S. Rep. Frank Pallone (New Jersey)	Referred to Indian, Insular and Alaska Native Affairs Committee
H.R. 2510 (Water Quality Protection and Job Creation Act)	Amend the Federal Water Pollution Control Act to authorize appropriations for State water pollution control revolving funds	U.S. Rep. Peter DeFazio (Oregon)	Referred to Water Resources and Environment Subcommittee
H.R. 2518 and S. 1129 (Coast Guard Reauthorization Act)	S. 1129 includes language to establish single ballast water standard (established by U.S. Coast Guard, not the U.S. Environmental Protection Agency); prohibit states from enforcing their own standards/rules on ballast water discharges; enhance icebreaking capacity in Great Lakes; and create a Center of Expertise for Great Lakes Oil Spill Research and Response	U.S. Rep. Duncan Hunter (California) and U.S. Sen. Dan Sullivan (Alaska)	H.R. 2518 reported out of Transportation and Infrastructure Committee; S. 1129 reported out of Commerce, Science and Transportation Committee
H.R. 2755 and S. 1622 (Beach Act)	Reauthorize federal grant program that provides funds for states to test water quality, notify public of unsafe conditions; require use of rapid testing methods; require states to track down pollution sources; set national coastal water quality standards	U.S. Rep. Frank Pallone (New Jersey) and U.S. Sen. Bob Menendez (New Jersey)	Referred to respective committees
H.R. 2806 and S. 1308 (Soo Locks Modernization Act)	Authorize the necessary level of funding to construct a lock that is the size of the existing Poe Lock	U.S. Rep. Jack Bergman and U.S. Sen. Debbie Stabenow (Michigan)	Referred to respective committees
H.R. 2983 and S. 1398 (Stop the Asian Carp Act Now Act)	Require release of Brandon Road Study outlining steps to prevent spread of Asian carp, other invasive species into Great Lakes	U.S. Rep. Marcy Kaptur (Ohio) and U.S. Sen. Debbie Stabenow (Michigan)	Referred to respective committees
H.R. 3106	Require EPA to publish maximum contaminant level goal and promulgate a national primary drinking water regulation for perfluorinated compounds	U.S. Rep. Brendan Boyle (Pennsylvania)	Referred to Energy and Commerce Committee
H.R. 3354 (funding for various agencies)	Funds Great Lakes Restoration Initiative at \$300 million for FY 2018	U.S. Rep. Ken Calvert (California)	Passed by House
H.R. 3518 (Great Lakes Agricultural Stewardship Act)	Require the USDA to provide federal assistance to Great Lakes states that administer voluntary assurance programs that help farms minimize nonpoint source pollution	U.S. Rep. Tim Walberg (Michigan)	Referred to Agriculture Committee

Bill Number	Description	Primary sponsor/author	Status
H.R. 3533 (Coastal State Climate Preparedness Act)	Require establishment of a coastal climate change adaptation preparedness and response program	U.S. Rep. Salud Carbajal (California)	Referred to Natural Resources Committee
H.R. 3646 (Water Quality Conservation Act)	Authorize the Secretary of Agriculture to carry out a precision conservation pilot program	U.S. Rep. David Young (Iowa)	Referred to Conservation and Forestry Subcommittee
H.R. 3661 (HABS Act)	Establish a program to award prizes for development of innovative, environmentally safe solutions for reducing, mitigating and controlling harmful algal blooms	U.S. Rep. Brian Mast (Florida)	Referred to Water, Power and Oceans Subcommittee
H.R. 3786	Require periodic federal mapping of Great Lakes (via environmental sensitive index) to assess potential risks to lakes, including oil spills and other natural disasters	U.S. Rep. Dan Kildee (Michigan)	Referred to Natural Resources Committee
H.R. 3859 (Drinking Water Infrastructure for Job Creation Act)	Make supplemental appropriations for FY 2017 for Drinking Water State Revolving Funds	U.S. Rep. Maxine Waters (California)	Introduced in House
H.R. 3906 (Innovative Stormwater Infrastructure Act)	Establish centers of excellence for innovative stormwater control infrastructure	U.S. Rep. Denny Heck (Washington)	Passed by House
H.R. 4492 (Water Infrastructure Finance and Innovation Reauthorization Act)	Extend, double funding authorization for Water Resources Reform and Development Act	U.S. Rep. Brian Mast (Florida)	Introduced in House
H.R. 4525 (Living Shoreline Act)	Make grants to States, local governments, nongovernmental organizations for shoreline stabilization projects utilizing natural materials	U.S. Rep. Frank Pallone (New Jersey)	Referred to Water, Power and Oceans Subcommittee
H.R. 4787 (Great Lakes Oil Spill Prevention Act)	Strengthen pipeline safety and structural standards, increase testing and reporting, set timelines for fixing structural issues, increase financial liability, and limit operation of pipeline materials under Great Lakes to 50 years	U.S. Rep. Mike Bishop (Michigan)	Referred to Railroads, Pipelines, and Hazardous Materials Subcommittee
H.R. 4892 (Collaborative Water and Soil Enhancement Act)	Prioritize conservation payments to producers in watersheds where nutrient delivery to hypoxic zones is highest	U.S. Rep. Marcia Fudge (Ohio)	Referred to Subcommittee on Conservation and Forestry Committee
H.R. 4902 and S. 2364	Provide state infrastructure financing authorities additional opportunities to receive loans support drinking water and clean water state revolving funds	U.S. Rep. John Katko (New York) and U.S. Sen. John Boozman (Arkansas)	Referred to respective committees
H.R. 4907 and H.R. 4908	Establish a \$50 million grant program to replace lead components used in school plumbing and provide assistance to schools to replace drinking water fountains that may contain lead	U.S. Rep. Bobby Rush (Illinois)	Referred to Environment Subcommittee

Bill Number	Description	Primary sponsor/author	Status
H.R. 5127 (Water Recycling Investment and Improvement Act)	Assist water agencies with expansion, planning, designing and building of water recycling plants and modernizing water infrastructure	U.S. Rep. Grace Napolitano (California)	Referred to Water, Power and Oceans Subcommittee
H.R. 5264 (Clean Water Partnership Act)	Provide grants to States to facilitate acquisition of land, water, to substantially improve, preserve, or maintain water quality	U.S. Rep. Donald McEachin (Virginia)	Referred to Water, Power and Oceans Subcommittee
H.R. 5426 (WATER Act)	Streamline process for land-grant universities to access Conservation Innovation Grant Program; create database analyzing effectiveness of conservation practices on soil health, nutrient management, and water protection	U.S. Rep. David Young (Iowa)	Referred to Agriculture Committee
H.R. 5155	Express sense of Congress that Soo Locks are of “critical importance to the national security of the Great Lakes”	U.S. Rep. Mac Thornberry (Texas)	Signed into law
H.R. 5548 (Water, Cosmetics and Unwanted Pharmaceuticals Act)	Require EPA to study the presence of pharmaceuticals and personal care products in sources of drinking water	U.S. Rep. Jan Schakowsky (Illinois)	Referred to Energy and Commerce Committee
H.R. 5609 (Water Affordability, Transparency, Equity and Reliability Act)	Establish a trust fund to provide for adequate funding for water and sewer infrastructure	U.S. Rep. Keith Ellison (Minnesota)	Referred to Commodity Exchanges, Energy, and Credit Subcommittee
H.R. 5895 (Energy and Water, Legislative Branch, and Military Construction and Veteran Affairs Appropriations Act)	Prohibit dumping of dredged material from Cuyahoga River into Lake Erie, require Army Corps to make every effort to complete Brandon Road/Asian carp study by February 2019, among many other provisions	U.S. Rep. Michael Simpson (Idaho)	Signed into law
H.R. 6147	Fund Great Lakes Restoration Initiative at current level (\$300 million a year); provide \$1.54 billion and \$1.1 billion for Clean Water and Drinking Water State Revolving Funds, respectively; provide funding for Asian carp controls; among many other provisions	U.S. Rep. Ken Calvert (California)	Different versions passed by House and Senate
H.R. 6300	Give Executive Order 13547 — relating to stewardship of oceans, coasts and Great Lakes —full force and effect of law	U.S. Rep. Jimmy Panetta (California)	Referred to Natural Resources Committee
H.R. 6705	Require EPA to publish maximum contaminant level goal, promulgate a national primary drinking water regulation for perchlorate	U.S. Rep. Tony Cardenas (California)	Referred to Energy and Commerce Committee
H.R. 6818 (Clean Water Infrastructure Act)	Increase assistance for states, water systems and disadvantaged communities to comply with Safe Drinking Water Act	U.S. Rep. A. Donald McEachin (Virginia)	Referred to Energy and Commerce Committee

Bill Number	Description	Primary sponsor/author	Status
H.R. 6944 (Clean Water Through Green Infrastructure Act)	Require EPA to provide grants to higher education/research institutions to establish centers of excellence for innovative stormwater control infrastructure	U.S. Rep. Denny Heck (Washington)	Referred to two committees
H.R. 6967 and S. 3630 (Great Lakes Water Protection Act)	Prohibit sewage dumping into the Great Lakes; require states to establish notice requirements when it occurs; create fund for local projects that prevent sewage overflows	U.S. Rep. Dan Lipinski (Illinois) and U.S. Sen. Tammy Duckworth	Referred to Transportation and Infrastructure Committee
H.R. 7049 (Great Lakes Restoration Semipostal Stamp Act)	Issue stamp to allow public to support Great Lakes Restoration Initiative	U.S. Rep. Tim Walberg (Michigan)	Referred to Federal Lands Subcommittee
H.R. 7154 (Safe Drinking Water in Playgrounds and Parks Act)	Replace drinking water fountains in playgrounds and parks under Reducing Lead in Drinking Water Grant Program	U.S. Rep. Grace Meng (New York)	Referred to Energy and Commerce Committee
H.R. 7155 (National Drinking Water Standards Reauthorization Act)	Reauthorize appropriations for the creation and analysis of national drinking water standards	U.S. Rep. Grace Meng (New York)	Referred to Energy and Commerce Committee
S. 110 and H.R. 4062 (Digital Coast Act)	Advance coastal mapping and ensure communities have data manage storms, cope with varying water levels and strengthen economic development	U.S. Sen. Tammy Baldwin (Wisconsin) and U.S. Rep. C.A. Dutch Ruppersberger (California)	S. 110 passed by Senate ; HR 4062 referred to committee
S. 140 (Coast Guard Authorization Act)	Allow EPA to continue regulate ballast water under Clean Water Act, provide funding for ballast treatment technology, improve emergency response to cases of invasive species, pre-empt individual state standards, establish process for Great Lakes states to create tougher regulations, among other provisions		Signed into law
S. 519	Amend the Safe Water Drinking Act to establish maximum contaminant levels for certain contaminants	U.S. Sen. Kirsten Gillibrand (New York)	Referred to Environment and Public Works Committee
S. 756 (Save Our Seas Act)	Reauthorize and amend the Marine Debris Act to promote international action to reduce marine debris	U.S. Sen. Dan Sullivan (Alaska)	Passed by Senate
S. 914 (Safe Drinking Water Assistance Act)	Provide federal support for communities that have detected emerging contaminants in their water supply; establish a database of resources to assist states with testing for emerging contaminants; improve federal efforts to identify and treat emerging contaminants	U.S. Jeanne Shaheen (New Hampshire)	Referred to Environment and Public Works Committee
S. 1057 and H.R. 4417 (Harmful Algal Bloom and Hypoxia Research and Control Amendments Act)	Reauthorize program that serves as research and response framework for harmful algal blooms, including in the Great Lakes	U.S. Sen. Bill Nelson (Florida)	S. 1057 passed by Senate ; H.R. 4417 referred to subcommittee

Bill Number	Description	Primary sponsor/author	Status
S. 1226 (LINES Act)	Raise liability caps for Great Lakes pipeline operators; clarify U.S. DOT's authority to suspend/shut down unsafe pipelines; strengthen federal review of oil spill response plans; create a Center for Expertise in the Great Lakes region to study freshwater oil spills	U.S. Sen. Gary Peters (Michigan)	Referred to Environment and Public Works Committee
S. 1331 (Great Lakes Mass Marking Program Act)	Make scientific technology available to track and monitor the health of fisheries in the Great Lakes	U.S. Sen. Debbie Stabenow (Michigan)	Referred to Environment and Public Works Committee
S.1332 (Great Lakes Aquatic Connectivity and Infrastructure Program Act)	Repair/replace aging dams, culverts and roads to improve Great Lakes fisheries and encourage habitat restoration	U.S. Sen. Debbie Stabenow (Michigan)	Referred to Environment and Public Works Committee
S. 1401 (Get the Lead Out of Schools Act)	Ensure periodic testing for lead contamination in schools; provide schools with resources to monitor lead levels and replace outdated water infrastructure	U.S. Tammy Duckworth (Illinois)	Reported out of Environment and Public Works Committee
S. 1425 (Coordinated Ocean Monitoring and System Act)	Reauthorize program for national integrated system of ocean, coastal and Great Lakes observing systems	U.S. Sen. Roger Wicker (Mississippi)	Passed by Senate
S. 1514 (HELP for Wildlife Act)	Amendment to bill (as reported out of committee) includes funding for Great Lakes Science Center	U.S. Sen. John Barrasso (Wyoming)	Reported out of Environment and Public Works Committee
S. 1586	Require updates at least once every seven years of maps used by NOAA to determine environmental sensitivity of each coastal area of the Great Lakes	U.S. Sen. Gary Peters (Michigan)	Passed by Senate
S. 2329	Adopt Water Infrastructure and Innovation Reauthorization Act	U.S. Sen. John Hoeven (North Dakota)	Referred to Environment and Public Works Committee
S. 2727 (PIPE Act)	Require EPA to establish discretionary grant program for drinking water and wastewater infrastructure projects	U.S. Sen. Kirsten Gillibrand (New York)	Referred to Environment and Public Works Committee
S. 2800 (America's Water Infrastructure Act)	Provide for conservation/development of water and related resources, including projects such as Great Lakes Restoration Initiative (increased funding), Brandon Road study, coastal resiliency study, and Great Lakes Fish and Wildlife Act (higher authorization levels)	U.S. Sen. John Barrasso (Wyoming)	Placed on Senate Legislative Calendar
S. 3012 and H.R. 6727	Establish a grant program to encourage use of innovative water technology	U.S. Sen. Tammy Baldwin (Wisconsin) and U.S. Rep. Gwen Moore (Wisconsin)	Referred to respective committees
S. 3015 (Water Affordability Act)	Establish a low-income sewer and drinking water assistance pilot program	U.S. Sen. Kamala Harris (California)	Referred to Environment and Public Works Committee

Bill Number	Description	Primary sponsor/author	Status
S. 3021 (America's Water Infrastructure Act)	Authorize funding for Soo Locks construction, authorizing more funding state drinking water grants, invest in coastal resiliency, finalize Asian carp study, research invasive species in Great Lakes, among other provisions	U.S. Sen. Amy Klobuchar (Minnesota)	Signed into law
S. 3121 (Water Infrastructure Transparency Act)	require maximum open and free competition in procurement for projects receiving assistance under Pollution Control Act, Safe Drinking Water Act, and Water Infrastructure Finance and Innovation Act	U.S. Sen. Rand Paul (Kentucky)	Introduced
S. 3192 (CLEAR Act)	Authorize funding to help small and disadvantaged communities replace contaminated water infrastructure; require electronic reporting of water quality testing results, update requirements for repeat- or serious-offender water systems, allow residents to request in-home water quality tests from EPA	U.S. Sen. Ed Markey (Massachusetts)	Referred to Environment and Public Works Committee
S. 3265 (Waterfront Community Revitalization and Resiliency Act)	Support local efforts that focus on waterfront community revitalization and resiliency	U.S. Sen. Tammy Baldwin (Wisconsin)	Placed on Senate Legislative Calendar
S. 3381 (PFAS Accountability Act)	Encourage federal agencies to work with states for removal and remedial actions to address PFAS contamination	U.S. Sen. Debbie Stabenow (Michigan)	Referred to Environment and Public Works Committee
S. 3382 (Waterfront Community Revitalization and Resiliency Act)	Require USGS to to perform a nationwide survey of perfluorinated compounds	U.S. Sen. Debbie Stabenow (Michigan)	Referred to Environment and Public Works Committee
Regional Conservation Partnership Program	Expand reach, flexibility of Regional Conservation Partnership Program (part of farm bill)	U.S. Sen. Debbie Stabenow (Michigan)	In Agriculture, Nutrition and Forestry Committee
H.J. Res. 38	Nullify U.S. Department of Interior's Stream Protection Rule	U.S. Rep. Bill Johnson (Ohio)	Signed into law
H. Res. 147	Expressing concern regarding prevalence of hexavalent chromium in drinking water	U.S. Rep. Al Green (Texas)	Referred to Health Subcommittee
H. Res. 152 and S. Res. 12	Expressing sense that clean water is national priority; Waters of the United States Rule should be withdrawn or vacated	U.S. Rep. Bob Gibbs (Ohio) and U.S. Sen. Deb Fischer (Nebraska)	Referred to respective committees

H. Res. 170	Expressing commitment of U.S. House to combat invasive species	U.S. Rep. Elise Stefanik (New York)	Referred to Biotechnology, Horticulture and Research Subcommittee
H. Res. 197 and S. Res. 88	Expressing sense of U.S. House that president and Secretary of State should ensure that Canada does not permanently store nuclear waste in Great Lakes Basin	U.S. Rep. Dan Kildee (Michigan) and U.S. Sen. Debbie Stabenow (Michigan)	Referred to respective committees
