FEDERAL GREAT LAKES AND WATER LEGISLATION, 2019-20

This list of bills is based on staff research. If you know of legislation that should be added to the list, please contact Tim Anderson at 630.925.1922 or tanderson@csg.org.

The list was last updated on August 17, 2020.

Bill	Description	Sponsor	Status
H.J. Res. 31 (Consolidated Appropriations Act, 2019)	Fund Great Lakes Restoration Initiative at \$300 million for FY 2019, among many other provisions	U.S. Rep. Lucille Roybal-Allard (California)	Signed into law
H.R. 34	Ensure consideration of water intensity in Department of Energy's research, development, and demonstration programs to increase water-use efficiency and minimize withdrawals of freshwater resources	U.S. Rep. Eddie Bernice Johnson (Texas)	Passed by House
H.R. 315	Authorize partnerships between states, nongovernmental entities for purpose of reclaiming and restoring land and water resources adversely affected by coal mining activities	U.S. Rep. Darin LaHood (Illinois)	Reported out of subcommittee
H.R. 380	Allow secretaries of Commerce and Interior to consider threats posed by invasive species before mandating new fish passageways be built through dams	U.S. Rep. Glenn Grothman (Wisconsin)	Referred to Energy Subcommittee
H.R. 436 (Fracking Disclosure and Safety Act)	Re-establish certain hydraulic fracturing chemical disclosure rules, standards for well construction, and waste management rules	U.S. Rep. Darren Soto (Florida)	Referred to Water Resources and Environment Subcommittee
H.R. 535 and S. 638 (PFAS Action Act)	Require EPA to designate per- and polyfluoroalkyl substances as hazardous substances	U.S. Rep. Debbie Dingell (Michigan) and U.S. Sen. Thomas Carper (Delaware)	Referred to committees

Bill	Description	Sponsor	Status
H.R. 667 (Regulatory Certainty for Navigable Waters Act)	Repeal Waters of United States rule, amend Federal Water Pollution Control Act definition of navigable waters	U.S. Rep. Herrera Beutler (Washington)	Referred to Water Resources and Environment Subcommittee
H.R. 795 (Preserve Our Lakes and Keep Our Environment Safe Act)	Require federal study of economic, environmental risks to Great Lakes of oil spills	U.S. Rep. Debbie Dingell (Michigan)	Referred to Environment and Climate Change Subcommittee
H.R. 852 (Get the Lead Out of Schools Act)	Require EPA to establish lead contamination testing program for all schools, create grant program to help school districts conduct lead testing and assist with remediation efforts	U.S. Rep. Brenda Lawrence (Michigan)	Referred to Energy and Commerce Committee
H.R. 925 and S. 261 (North American Wetlands Conservation Extension Act)	Extend authorization of appropriations for wetlands conservation projects	U.S. Rep. Mike Thompson (California) and U.S. Sen. Martin Heinrich (New Mexico)	H.R. 925 passed by House
H.R. 1023 and S. 446 (Great Lakes Fishery Research Authorization Act)	Provide funding to U.S. Geological Survey Great Lakes Science Center to monitor, assess and research fisheries between U.S., Canada	U.S. Rep. Mike Quigley (Illinois) and U.S. Sen. Gary Peters (Michigan)	H.R. 1023 reported out of committee
H.R. 1317 (Coastal Communities Adaption Act)	Provide grants, conduct research to improve ability of coastal communities, including in Great Lakes region, to adapt to climate change and natural disasters	U.S. Rep. Harley Rouda (California)	Referred to Water, Oceans, and Wildlife Subcommittee
H.R. 1326 (ACCESS Act)	Reauthorize North American Wetlands Conservation act, allow federal agencies to seek compensation when natural resources are damaged, among other provisions	U.S. Rep. Mike Thompson (California)	Referred to Water, Oceans, and Wildlife Subcommittee
H.R. 1331 (Local Water Protection Act)	Increase funding (to \$200 million per year) for grants for state and local governments' programs to reduce nonpoint source pollution	U.S. Rep. Angie Craig (Minnesota)	Passed by House
H.R. 1417 (WATER Act)	Establish a trust fund to provide funding (\$35 billion) for water and sewer infrastructure improvements	U.S. Rep. Brenda Lawrence (Michigan)	Referred to Conservation and Forestry Subcommittee

Bill	Description	Sponsor	Status
H.R. 1429 (Drinking Water Infrastructure for Job Creation Act)	Make supplemental appropriations for FY 2019 for Drinking Water State Revolving Funds	U.S. Rep. Maxine Waters (California)	Referred to Appropriations Committee
H.R. 1440 (Great Lakes Restoration Semipostal Stamp Act)	Create special postage stamp that allows public to contribute to Great Lakes Restoration Initiative	U.S. Rep. Tim Walberg (Michigan)	Referred to Water, Oceans, and Wildlife Subcommittee
H.R. 1497 (Water Quality and Job Protection Act)	Reauthorize water pollution control programs, provide \$23.5 billion over next five years for water infrastructure	U.S. Rep. Peter DeFazio (Oregon)	H.R. 1497 reported out of committee
H.R. 1865 (federal budget)	Authorize funding for Great Lakes Restoration at \$320 million for FY 2020 (from previous level of \$300 million); set levels for State Safe Drinking and Clean Water Revolving Funds; other provisions on Great Lakes and invasive species	U.S. Rep. Bill Pascrell (New Jersey)	Signed into law
H.R. 1976 and S. 950 (PFAS Detection Act)	Provides U.S. Geological Survey with \$45 million to develop new technologies to detect PFAS, to conduct nationwide sampling for PFAS in environment	U.S. Rep. Daniel Kildee (Michigan) and U.S. Sen. Debbie Stabenow (Michigan)	Referred to committees
H.R. 2019 (Smart Energy and Water Efficiency Act)	Provide for a smart water resources management pilot program	U.S. Rep. Jerry McNerney (California)	Referred to Science, Space and Technology Committee
H.R. 2141 (Great Lakes Agricultural Stewardship Act)	Provide federal assistance to Great Lakes states that administer voluntary assurance programs to help farms minimize agricultural pollution risks	U.S. Rep. Tim Walberg (Michigan)	Referred to Agriculture Committee
H.R. 2189 and S. 1069 (Digital Coast Act)	Establish comprehensive mapping process of nation's shorelines to allow states, coastal communities to prepare for storms, manage floods, restore ecosystems, and plan developments near coasts, harbors, ports and shorelines	U.S. Rep. Dutch Ruppersberger (Maryland) and U.S. Sen. Tammy Baldwin (Wisconsin)	H.R. 2189 reported out of committee
H.R. 2287 (Federal Regulatory Certainty for Water Act)	Eliminate Clean Water Rule issued in 2015 by U.S. EPA and Army Corps of Engineers	U.S. Rep. Mac Thornberry (Texas)	Referred to Transportation and Infrastructure Committee

Bill	Description	Sponsor	Status
H.R. 2458 (WISE Act)	Require that states use a certain percentage of State Clean Water Revolving Fund grants for water efficiency, other “green projects”	U.S. Rep. Debbie Mucarsel-Powell (Florida)	Referred to Water Resources and Environment Subcommittee
H.R. 2470 (Clean Water Infrastructure Resilience and Sustainability Act)	Establish grant program to increase resilience of publicly owned treatment works to natural disasters	U.S. Rep. Salud Carbajal (California)	Referred to Water Resources and Environment Subcommittee
H.R. 2500 and S. 1790 (National Defense Authorization Act)	Provisions included to detect, protect against PFAS contamination	U.S. Rep. Adam Smith (Washington) and U.S. Sen. James Inhofe (Oklahoma)	S. 1790 signed into law
H.R. 2533 (Providing Financial Assistance for Safe Drinking Water Act)	Create a grant program for PFAS-affected water systems to install effective technologies that filter the dangerous chemicals, other pollutants	U.S. Rep. Frank Pallone (New Jersey)	Forwarded by subcommittee
H.R. 2551 (Great Lakes Environmental Sensitivity Index Act)	Require update of NOAA’s Environmental Sensitivity Index maps for Great Lakes to provide more-accurate assessments of coastal resources at risk due to oil spills and natural disasters	U.S. Rep. Dan Kildee (Michigan)	Referred to Water, Oceans and Wildlife Subcommittee
H.R. 2570 (PFAS User Fee Act)	Require PFAS manufacturers to pay fee for trust fund that would provide grants to water systems dealing with PFAS contamination	U.S. Rep. Harley Rouda (California)	Referred to Water Resources and Environment Subcommittee
H.R. 2577 (PFAS Right to Know Act)	Include PFAS on EPA’s Toxic Release Inventory list	U.S. Rep. Antonio Delgado (Texas)	Referred to Energy and Commerce Committee
H.R. 2591 (PFAS Waste Incineration Ban Act)	Prohibit waste incineration of firefighting foam containing PFAS substances	U.S. Rep. Ro Khanna (California)	Forwarded by subcommittee
H.R. 2596 (Protecting Communities from New PFAS Act)	Prevent new PFAS chemicals from being approved through the EPA’s pre-manufacture notice system	U.S. Rep. Ann Kuster (New Hampshire)	Forwarded by subcommittee
H.R. 2600 (Toxic PFAS Control Act)	Phases out PFAS by banning manufacturing, processing of these chemicals; require the EPA to regulate PFAS disposal	U.S. Rep. Madeleine Dean (Pennsylvania)	Forwarded by subcommittee
H.R. 2608 (PFAS Testing Act)	Require testing of PFAS under Toxic Substances Control Act	U.S. Rep. Sean Patrick Maloney (New York)	Forwarded by subcommittee

Bill	Description	Sponsor	Status
H.R. 2626 and S. 1372 (PFAS Accountability Act)	Encourage federal agencies to expeditiously enter into cooperative agreements with states for removal, remedial actions that address PFAS water contamination	U.S. Rep. Fred Upton (Michigan) and U.S. Sen. Debbie Stabenow (Michigan)	Reported out of committee
H.R. 2665 (Smart Energy and Water Efficiency Act)	Establish smart energy and water efficiency program	U.S. Rep. Jerry McNerney (California)	Reported out of committee
H.R. 2705 (Water Infrastructure Trust Fund Act)	Establish a Water Infrastructure Trust Fund	U.S. Rep. Earl Blumenauer (Oregon)	Referred to Water Resources and Environment Subcommittee
H.R. 2776 (Stop Sewage Overflow Act)	Expand EPA's Stormwater Reuse Municipal Grant Program	U.S. Rep. Lori Trahan (Massachusetts)	Referred to Water Resources and Environment Subcommittee
H.R. 2800 (PFAS Monitoring Act)	Require public water systems to test for PFAS chemicals	U.S. Rep. Elissa Slotkin (Michigan)	Referred to Energy and Commerce Committee
H.R. 3115 and S. 1730 (Living Shorelines Act)	Provide grants to states for projects that protect coastal communities by supporting ecosystem functions and habitats with the use of natural materials and systems	U.S. Rep. Frank Pallone (New Jersey) and U.S. Sen. Kamala Harris (California)	Reported out of committees
H.R. 3254 and S. 1837 (PIPE Act)	Establish discretionary grant program for states, local communities to construct, replace or repair public drinking water and waste water treatment facilities	U.S. Rep. Antonio Delgado (New York) and U.S. Sen. Kirsten Gillibrand (New York)	Referred to committees
H.R. 3363	Require local governments to alert residents within four hours incidents of sewer overflows	U.S. Rep. Seth Moulton (Massachusetts)	Referred to Water Resources and Environment Subcommittee
H.R. 3541 (Coastal State Climate Preparedness Act)	Help states voluntarily develop coastal climate change adaptation plans	U.S. Rep. Salud Carbajal (California)	Reported out of committee
H.R. 3548	Improve data collection and monitoring of Great Lakes, other water resources	U.S. Rep. Suzanne Bonamici (Oregon)	Referred to Water, Oceans and Wildlife Subcommittee

Bill	Description	Sponsor	Status
H.R. 3616 (Clean Standards for PFAS Act)	Add PFAS to the Clean Water Act's Toxic Pollutants List	U.S. Rep. Chris Pappas (New Hampshire)	Referred to Water Resources and Environment Subcommittee
H.R. 3677	Update Lead and Copper Rule, lowering lead action level from 15 parts per billion (ppb) to 10 ppb by 2020 and 5 ppb by 2026	U.S. Rep. Dan Kildee (Michigan)	Referred to Energy and Commerce Committee
H.R. 3894 and S. 2210 (Great Lakes Water Protection Act)	End practice of "blending," which results in partially treated or untreated wastewater being mixed with fully treated water before being discharged; create Great Lakes Green Infrastructure Grant Program	U.S. Rep. Dan Lipinski (Illinois) and U.S. Sen. Tammy Duckworth (Illinois)	Referred to committees
H.R. 3949 (Drinking Water in Playgrounds and Parks Act)	Provide assistance to states, municipalities to replace drinking water in fountains manufactured prior to 1988	U.S. Rep. Grace Meng (New York)	Referred to Energy and Commerce Committee
H.R. 4031 (Great Lakes Restoration Initiative Act)	Reauthorize Great Lakes Restoration Initiative; increase authorization level from \$300 million to \$375 million in Fiscal Year 2022 and increase funding by \$25 million per year until it reaches \$475 million in FY 2026	U.S. Rep. David Joyce (Ohio)	Passed by House
H.R. 4032 (Great Lakes Coastal Resiliency Act)	Require a Great Lakes Coastal Resiliency Study to assess threats and resiliency measures for coastal communities	U.S. Rep. John Katko (New York)	Referred to Water Resources and Environment Subcommittee
H.R. 4033 and S. 2466 (Water Justice Act)	Invest \$250 billion in water safety, affordability and sustainability, including replacement of lead service lines	U.S. Rep. Dan Kildee (Michigan) and U.S. Kamala Harris (California)	Referred to committees
H.R. 4266 and S. 2456 (Clean Water Through Green Infrastructure Act)	Establish up to five Centers of Excellence to promote green stormwater infrastructure	U.S. Rep. Denny Heck (Washington) and U.S. Sen. Tom Udall (New Mexico)	Referred to committees
H.R. 4828 (Sport Fish Restoration and Recreational Boating Safety Act)	Extend authorization of the Sport Fish Restoration and Boating Trust Fund	U.S. Rep. Joe Cunningham (South Carolina)	Referred to Coast Guard and Maritime Transportation Subcommittee

Bill	Description	Sponsor	Status
H.R. 4831 (National Fish and Wildlife Foundation Reauthorization Act)	Reauthorize National Fish and Wildlife Foundation	U.S. Rep. Debbie Dingell (Michigan)	Referred to Natural Resources Committee
H.R. 4832 (Low-Income Water Customer Assistance Programs Act)	Establish pilot programs that award grants to help low-income households pay drinking water, wastewater, or stormwater bills	U.S. Rep. Marcia Fudge (Ohio)	Referred to Water Resources and Environment Subcommittee
H.R. 5347 (Disadvantaged Community Drinking Water Assistance Act)	Establish a grant program to close gaps in access to safe drinking water in disadvantaged communities	U.S. Rep. TJ Cox (California)	Referred to Natural Resources, Energy and Commerce Committee
H.R. 5361 (Safe Drinking Water Assistance Act)	Provide assistance to states for responding to public health challenges posed by emerging contaminants	U.S. Rep. Lisa Blunt Rochester (Louisiana)	Referred to Energy and Commerce Committee
H.R. 5513 and S. 3160 (Affordable Safe Drinking Water Act)	Modify payment periods of loans from State Revolving Funds	U.S. Rep. Joe Kennedy III and Sen. Elizabeth Warren (Massachusetts)	Referred to Water Resources and Environment Subcommittee
H.R. 5539 (Clean Water Standards for PFAS Act)	Develop standards, water quality criteria for PFAS under Federal Water Pollution Control Act	U.S. Rep. Chris Pappas (New Hampshire)	Referred to Water, Oceans and Wildlife Subcommittee
H.R. 5799 (Bridging Responsible Agricultural Conservation Efforts Act)	Require EPA, Army Corps of Engineers to recognize prior-converted and commenced-converted lands that are already certified by the USDA; prohibit those lands from being “recaptured” by regulations enforced by Clean Water Act	U.S. Rep. Glenn Thompson (Pennsylvania)	Referred to Water Resources and Environment Subcommittee
H.R. 5832 (SHORE Act)	Require U.S. Army Corps of Engineers, Office of Management and Budget to account for recreation-based considerations in cost-benefit analysis procedures for harbor maintenance projects	U.S. Rep. John Katko (New York)	Referred to Water Resources and Environment Subcommittee

Bill	Description	Sponsor	Status
H.R. 5845 (Break Free From Plastic Pollution Act)	Phase out certain single-use plastic products, hold corporations accountable for wasteful products, reduce wasteful packaging, and change nation's waste and recycling collection system	U.S. Rep. Alan Lowenthal (California)	Referred to Water Resources and Environment Subcommittee
H.R. 5856 (Decentralized Wastewater Grants Act)	Establish a grant program for decentralized wastewater treatment systems in households with certain income	U.S. Rep. Terri Sewell (Alabama)	Referred to Water Resources and Environment Subcommittee
H.R. 5896 (Great Lakes Winter Commerce Act)	Define U.S. Coast Guard's icebreaking responsibilities to meet demands of commerce	U.S. Rep. Mike Gallagher (Wisconsin)	Referred to Coast Guard and Maritime Transportation Subcommittee
H.R. 6053 (Test Your Well Water Act)	Create online tool for Americans with private well to find resources to test drinking water	U.S. Rep. Dan Kildee (Michigan)	Referred to Energy and Commerce Committee
H.R. 6552 (Emergency Water is a Human Right Act)	Prohibit water shutoffs, ensure water affordability protections for low-income households during the COVID-19 national emergency	U.S. Rep. Rashida Tlaib (Michigan)	Referred to Water Resources and Environment Subcommittee
H.R. 6622 (Assuring Quality Water Infrastructure Act)	Provide grants for small public water systems to upgrade aging infrastructure, minimize water loss	U.S. Rep. David McKinley (West Virginia)	Referred to Energy and Commerce Committee
H.R. 6745 (Assuring Quality Water Infrastructure Act)	Prohibit implementation of rule defining "waters of the United States" under Federal Water Pollution Control Act	U.S. Rep. Peter DeFazio (Oregon)	Referred to Water Resources and Environment Subcommittee
H.R. 7228	Support research and other activities on advanced recycling technologies, plastic waste remediation, and the public health impacts of microplastics; among other provisions	U.S. Rep. Haley Stevens (Michigan)	Referred to Science, Space and Technology Committee
H.R. 7243 (Identifying PFAS at Water Infrastructure Sites)	Require U.S. Army Corps of Engineers to determine if there is PFAS contamination on any of its facilities, operating sites	U.S. Rep. Antonio Delgado (New York)	Referred to Water Resources and Environment Subcommittee

Bill	Description	Sponsor	Status
H.R. 7575 (Water Resources Development Act)	Authorize construction at the Brandon Road Lock and Dam to stop spread of invasive species (with federal share at 80 percent); require U.S. Army Corps of Engineers to identify and report on PFAS-contaminated facilities; support Harbor Maintenance Trust Fund; urge completion of Great Lakes Resiliency Study; carry out harmful algal bloom demonstration program in Great Lakes; among other provisions	U.S. Rep. Peter DeFazio (Oregon)	Passed by House
H.R. 7608 (State, Foreign Operations, Agriculture, Rural Development, Interior, Environment, Military Construction, and Veterans Affairs Appropriations Act)	Increase funding for Great Lakes Restoration Initiative (to \$335 million); provide \$1 billion for program to reduce lead in drinking water; increase grants for managing sewer overflow and stormwater reuse; provide emergency supplemental funding for clean water and drinking water revolving funds; among many other provisions	U.S. Rep. Nita Lowey (New York)	Passed by House
H.R. 7617 (Defense, Commerce, Justice, Science, Energy and Water Development, Financial Services and General Government, Labor, Health and Human Services, Education, Transportation, Housing, and Urban Development Appropriations Act)	Boost funding for Soo Locks and othe navigation projects, include language that allows Brandon Road Lock and Dam project to better compete for U.S. Army Corps of Engineers funding, provide funding for harmful algal bloom research; among many other provisions	U.S. Rep. Peter Visclosky (Indiana)	Passed by House
H. Res. 19	Recognize importance of protecting people from drinking water polluted with carcinogens, such as hexavalent chromium	U.S. Rep. Al Green (Texas)	Referred to Environment and Climate Change Subcommittee

Bill	Description	Sponsor	Status
H. Res. 797	Encourage EPA to maintain, strengthen requirements under Clean Water Act	U.S. Rep. Debbie Dingell (Michigan)	Referred to Water Resources and Environment Subcommittee
H. Res. 805	Express sense of U.S. Congress that president, secretary of State should ensure that Government of Canada does not permanently store nuclear waste in the Great Lakes Basin	U.S. Rep. Dan Kildee (Michigan)	Referred Asia, the Pacific and Nonproliferation Subcommittee
S. 914 (Coordinated Ocean Observations and Research Act)	Establish National Water Center, among other provisions	U.S. Sen. Roger Wicker (Mississippi)	Passed by Senate
S. 1251 (Safe Drinking Water Assistance Act)	Improve federal response, assistance to states in efforts related to public health challenges posed by emerging contaminants	U.S. Sen. Jeanne Shaheen (New Hampshire)	Referred to Environment and Public Works Committee
S. 1342 (Great Lakes Environmental Sensitivity Index)	Require updates at least once every seven years of the federal environmental sensitivity index products for each coastal area of the Great Lakes	U.S. Sen. Gary Peters (Michigan)	Passed by Commerce, Science and Transportation Committee
S. 1473 (Protect Drinking Water from PFAS Act)	Require EPA to establish enforceable standard under Safe Drinking Water Act for PFAS in drinking water	U.S. Sen. Kirsten Gillibrand (New York)	Referred to Environment and Public Works Committee
S. 1507 (PFAS Release Disclosure and Protection Act)	Add PFAS to EPA's Toxic Release Inventory list	U.S. Sen. Shelley Moore Capito (West Virginia)	Referred to Environment and Public Works Committee
S. 1604 (Local Water Protection Act)	Reauthorize EPA grant program that provides funds for states to implement programs for managing nonpoint source water pollution	U.S. Sen. Amy Klobuchar (Minnesota)	Referred to Environment and Public Works Committee
S. 1613 (CLEAR Act)	Modernize reporting requirements for contaminants, including lead, in drinking water	U.S. Rep. Ed Markey (Massachusetts)	Referred to Environment and Public Works Committee
S. 1689	Permit states to transfer certain funds from Clean Water State Revolving Fund to address lead in drinking water	U.S. Sen. Cory Booker (New Jersey)	Signed into law

Bill	Description	Sponsor	Status
S. 2295 and H.R. 4031 (GLRI Act)	Increase authorization level for Great Lakes Restoration Initiative from current level of \$300 million to \$475 million by FY 2026	U.S. Sen. Debbie Stabenow (Michigan) and U.S. Rep. David Joyce (Ohio)	H.R. 4031 reported out of committee
S. 2596 (Voluntary Water Partnership for Distressed Communities Act)	Authorize certain community water systems to enter into partnerships to improve the water system	U.S. Sen. Tammy Duckworth (Illinois)	Referred to Environment and Public Works Committee
S. 2636 (Clean Water, Infrastructure Resilience and Sustainability Act)	Create new resiliency grants for local projects that protect water infrastructure from extreme weather events and changing hydrological conditions	U.S. Sen. Ben Cardin (Maryland)	Introduced
S. 2674 (Assuring Quality Water Infrastructure Act)	Aid small water systems in the management and sustainability of their infrastructure	U.S. Sen. Shelly Moore Capito (West Virginia)	Referred to Environment and Public Works Committee
S. 2687 (Low-Income Water Customer Assistance Programs Act)	Establish 32 pilot programs for low-income residents to receive aid in paying their drinking water bills	U.S. Sen. Ben Cardin (Maryland)	Referred to Environment and Public Works Committee
S. 2767	Establish a pilot competitive grant program for improving the sharing of water quality data	U.S. Sen. Doug Jones (Alabama)	Referred to Environment and Public Works Committee
S. 2980 (Clean Water Standards for PFAS Act)	Require certain PFAS-related standards under Federal Water Pollution Control Act	U.S. Rep. Kirsten Gillibrand (New York)	Referred to Environment and Public Works Committee
S. 3051 (America's Conservation Enhancement Act)	Appropriate \$15 million for Great Lakes monitoring, assessment, science and research; among many other provisions	U.S. Sen. John Barrasso (Wyoming)	Reported out of Environment and Public Works Committee
S. 3590 (America's Drinking Water Infrastructure Act)	Reauthorize Safe Drinking Water Act programs that support drinking water infrastructure and provide resources and technical assistance to communities facing critical drinking water needs	U.S. Sen. John Barrasso (Wyoming)	Reported out of Environment and Public Works Committee

Bill	Description	Sponsor	Status
S. 3591 (America's Water Infrastructure Act)	Increase funding for Great Lakes Restoration Initiative to \$375 million in FY 2022, study flood protection on Great Lakes, carry out harmful algal blooms demonstration program within Great Lakes, formally authorize Great Lakes and Mississippi River Interbasin Study Brandon Road project and establish federal/nonfederal share for this project (federal: \$647,478,000 and non-federal: \$215,826,000)	U.S. Sen. John Barrasso (Wyoming)	Reported out of Environment and Public Works Committee
S. 3944 (Break Free from Plastic Pollution Act)	Ban certain single-use plastic items and pause build-out of numerous new plastic plants until environmental safeguards are in place	U.S. Sen. Tom Udall (New Mexico)	Referred to Environment and Public Works Committee
