

## STATE AND PROVINCIAL GREAT LAKES AND WATER LEGISLATION, 2021

This list of bills is based on staff research. If you know of legislation that should be added to the list, please contact Tim Anderson ([tanderson@csg.org](mailto:tanderson@csg.org)) or Jon Davis ([jdavis@csg.org](mailto:jdavis@csg.org)).

The list was last updated on April 18, 2022.

State/Province	Bill	Description	Author/Sponsor	Status
Illinois	<a href="#">HB 78</a>	Require annual lead testing and reporting at Chicago Public Schools	Reps. Mary Flowers and Rita Mayfield (GLLC member)	Referred to committee
Illinois	<a href="#">HB 291</a> and <a href="#">SB 272</a>	Require health care facilities to implement water management programs with specified elements to control growth, spread of opportunistic pathogens	Rep. Natalie Manley	Referred to committee
Illinois	<a href="#">HB 414</a> and <a href="#">HB 415</a>	Authorize the Department of Commerce and Economic Opportunity to institute the water and sewer assistance program	Rep. LaToya Greenwood	<b>HB 414 signed into law</b>
Illinois	<a href="#">HB 1796</a>	Allow a municipality to charge residents to offset cost of owning, maintaining and improving local stormwater infrastructure	Rep. Ann Williams	Referred to committee
Illinois	<a href="#">HB 1863</a>	Allow municipalities to enter into joint efforts to acquire, develop and operate a joint water supply, joint water works, or both, through intergovernmental cooperation in a regional water commission	Rep. Lawrence Walsh Jr.	Referred to committee
Illinois	<a href="#">HB 2475</a> and <a href="#">HB 2476</a>	Require public water supplies to test for endocrine-disrupting chemicals, including androgen and estrogen receptor compounds (HB 2475), and for androgen and estrogen receptor compounds (HB 2476), when conducting testing of water supplies	Rep. Deanne Mazzochi	Referred to committee

State/Province	Bill	Description	Author/Sponsor	Status
Illinois	<a href="#">HB 2744</a>	Set fees for establishment of Aquatic Conservation Stamp Fund	Rep. Robert Rita	Passed by House
Illinois	<a href="#">HB 3118</a>	Establish new requirements prior to application of pyrethroid pesticide by commercial applicator	Rep. Robyn Gabel (GLLC chair)	Passed by both houses
Illinois	<a href="#">HB 3122</a>	Establish testing of lead in drinking water at public parks, notification requirements	Rep. Edgar Gonzalez Jr.	Referred to committee
Illinois	<a href="#">HB 3635</a> and <a href="#">SB 2512</a>	Prevent use of firefighting foam, for training purposes, that contains PFAS	Rep. David Welter (GLLC member) and Sen. Michael Hastings	Referred to committees
Illinois	<a href="#">HB 3739</a>	Require water utilities to replace all lead service lines and create low-income water assistance program to help fund financial assistance and water projects that include lead pipe replacement	Rep. Lamont Robinson Jr.	Signed into law
Illinois	<a href="#">HB 3853</a>	Require completion of university study comparing water rates, issuing recommendations on addressing challenges in disadvantaged communities	Rep. Lindsay LaPointe	Signed into law
Illinois	<a href="#">HB 4110</a>	Require inspections of high-rise buildings near Lake Michigan	Rep. Kambium Buckner (GLLC member)	Referred to committee
Illinois	<a href="#">HB 4165</a>	Require owner of pier or drop-off on Lake Michigan to install public rescue equipment, including, at minimum, ring life buoys	Rep. Kelly Cassidy	Passed by both houses
Illinois	<a href="#">HB 4358</a> and <a href="#">SB 3073</a>	Require removal of coal combustion residuals from certain facilities near Lake Michigan	Rep. Rita Mayfield (GLLC member)	Passed by both committee
Illinois	<a href="#">HB 4712</a>	Require Chicago Police Department to equip patrol vehicles with water rescue equipment in each district that contains a public body of water	Rep. Frances Ann Hurley	Referred to committee

State/Province	Bill	Description	Author/Sponsor	Status
Illinois	<a href="#">HB 4988</a>	Require reporting to health facilities of any “disruption event” to public water supply	Rep. Natalie Manley	Passed by both houses
Illinois	<a href="#">HB 4818</a>	Ban incineration of PFAS	Rep. LaToya Greenwood	Passed by both houses
Illinois	<a href="#">HB 5111</a>	Include water safety in safety education instruction in elementary school	Rep. Eva Dina Delgado	Referred to committee
Illinois	<a href="#">HB 5386</a> and <a href="#">SB 3870</a>	Increase penalties for violations of Rivers, Lakes and Streams Act	Rep. Michael Halpin	Referred to committee
Illinois	<a href="#">HB 5495</a>	Use tax proceeds from motor fuel sold on waterway to support local waterway agency or state agency for waterway purposes	Rep. Tom Weber	Referred to committee
Illinois	<a href="#">HB 5508</a>	Bar water utility from charging reconnection fee following water disconnection	Rep. Joyce Mason (GLLC member)	Referred to committee
Illinois	<a href="#">HB 5566</a>	Assist municipalities with providing filters in areas with lead service lines	Rep. Lamont Robinson Jr.	Referred to committee
Illinois	<a href="#">HB 5742</a>	Require public reporting of any “disruption event” to public water supply (for example, any change to a disinfection technique, practice or technology)	Rep. Natalie Manley	Referred to committee
Illinois	<a href="#">SB 1645</a>	Require public water supply authorities to use best efforts to restore full water service to occupied residences without water service due to nonpayment	Sen. Omar Aquino (GLLC member)	Referred to committee
Illinois	<a href="#">SB 1780</a>	Make owner of mobile park responsible for supplying potable water to each household after 5-day period of no water	Sen. Laura Murphy	Signed into law

State/Province	Bill	Description	Author/Sponsor	Status
Illinois	<a href="#">SB 1972</a>	Protect state wetlands, establish Wetland Conservation Fund	Sen. Laura Fine (GLLC member)	Referred to committee
Illinois	<a href="#">SB 2017</a> (budget bill)	Include funding for Partners for Conservation Fund, which helps private landowners institute practices to control erosion and prevent nutrient loss on farmland; provide dedicated source of funding to implement Nutrient Loss Reduction Strategy; establish low-income household water assistance program; among other provisions	Sen. Don Harmon	Signed into law
Illinois	<a href="#">SB 2368</a>	Allow municipalities to establish a regional water commission	Sen. John Connor	Referred to committee
Illinois	<a href="#">SB 2421</a>	Create the Cook County Water Infrastructure Fund to make grants to municipalities to fund infrastructure improvements to facilitate water supplies from Lake Michigan for residents of Cook County	Sen. Napoleon Harris III	Referred to committee
Illinois	<a href="#">SB 2474</a>	Create the Illinois Partners for Nutrient Loss Reduction Act	Sen. Ram Villivalam	Referred to committee
Illinois	<a href="#">SB 2512</a>	Ban use of Class B firefighting foam for training purposes if it contains an intentionally added PFAS chemical	Sen. Michael Hastings	Referred to committee
Illinois	<a href="#">SB 2515</a>	Establish council to study, provide recommendations to provide long-term protections for Mahomet Aquifer	Sen. Chapin Rose	Signed into law
Illinois	<a href="#">SB 3042</a>	Make it unlawful to use or create livestock waste lagoons	Sen. David Koehler	Referred to committee

State/Province	Bill	Description	Author/Sponsor	Status
Illinois	<a href="#">SB 3905</a>	Establish committee to study use of revolving loan fund program for water, with focus on access of funds for high-priority and disadvantaged communities	Sen. John Connor	Passed by both houses
Illinois	<a href="#">HR 101</a> (2021)	Improve conservation efforts across state, especially for communities that have historically lacked access to natural spaces	Rep. Thomas Bennett	Adopted by House
Indiana	<a href="#">HB 1014</a> (2021)	Require quarterly inspections of certain facilities that house hazardous materials and are near a surface body of water	Rep. Carolyn Jackson	Referred to committee
Indiana	<a href="#">HB 1045</a> (2021)	Require testing of drinking water at preschool and child care facilities for lead	Rep. Carolyn Jackson	Referred to committee
Indiana	<a href="#">HB 1090</a> (2021)	Remove certain state requirements for municipal lakefront development projects in order to facilitate their development	Rep. Earl Harris, Jr. (GLLC member)	Signed into law
Indiana	<a href="#">HB 1129</a> (2021)	Require state maximum contaminant levels for PFAS in water provided by public water systems	Rep. Ryan Dvorak	Referred to committee
Indiana	<a href="#">HB 1151</a> (2021)	Require individuals who cause spills of certain substances to report incident to state, local authorities	Rep. Pat Boy	Referred to committee
Indiana	<a href="#">HB 1162</a> (2021)	Protect Lake Michigan from fertilizer runoff, including a ban on individuals allowing fertilizer material contained in runoff from a storm event or irrigation return flow to enter into the waterways as a result of land application of fertilizer material	Rep. Ryan Dvorak	Referred to committee

State/Province	Bill	Description	Author/Sponsor	Status
Indiana	<a href="#">HB 1404</a> (2021)	Prevent water service disconnections at residences of a customer at which an unemancipated minor less than 18 years of age resides; ensure customers can enter into reasonable amortization agreement to pay any delinquent balance on account	Rep. Renee Pack	Referred to committee
Indiana	<a href="#">HB 1025</a> (2022)	Require septic system inspection and well water testing in relation to real estate sales	Rep. Mike Aylesworth	Referred to committee
Indiana	<a href="#">HB 1036</a> (2022)	Allow counties to form local watershed commissions	Rep. Mike Aylesworth	Referred to committee
Indiana	<a href="#">HB 1184</a> (2022)	Establish state maximum contaminant levels for PFAS in water provided by public water systems	Rep. Ryan Dvorak	Referred to committee
Indiana	<a href="#">HB 1186</a> (2022)	Regulate fertilizer runoff into Lake Michigan	Rep. Ryan Dvorak	Referred to committee
Indiana	<a href="#">HB 1334</a> (2022)	Allow property tax exemption for maintaining wetlands	Rep. Pat Boy	Referred to committee
Indiana	<a href="#">SB 348</a> (2021)	Establish task force to address long-term wastewater needs in state; create new grant program to improve wastewater or storm collection systems	Sen. Eric Koch	<b>Signed into law</b>
Indiana	<a href="#">SB 389</a> (2021)	Repeal state-regulated wetlands law	Sen. Chris Garten	<b>Signed into law</b>
Indiana	<a href="#">SB 411</a> and <a href="#">HB 1380</a> (2021)	Specify that a civil action brought for monetary or injunctive relief due to discharge of a contaminant in substantial compliance with state or federal permit may be brought only as a nuisance action	Sen. Jon Ford and Rep. Alan Morrison	Referred to committees

State/Province	Bill	Description	Author/Sponsor	Status
Indiana	<a href="#">SB 122</a> (2022)	Require annual reports, inspections of confined feeding operations	Sen. Rick Niemeyer	Referred to committee
Indiana	<a href="#">SB 147</a> (2022)	Add certain use of underground pumped storage hydropower to list of “clean energy resource”	Sen. Eric Koch	Signed into law
Indiana	<a href="#">SB 273</a> (2022)	Allow periodic tracking mechanism to allow local water utilities to recover certain increased costs	Sen. Eric Koch	Signed into law
Indiana	<a href="#">SB 278</a> (2022)	Establish university-led council to support long-term studies of state water resources	Sen. Andy Zay	Signed into law
Michigan	<a href="#">HB 4025</a> and <a href="#">SB 47</a>	Eliminate limitation periods for cleanups related to environmental remediation	Rep. Jim Ellison and Sen. Jeremy Moss	Referred to committee
Michigan	<a href="#">HB 4170</a>	Increase penalties for pollutant and oil spills into Great Lakes	Rep. William Sowerby	Referred to committee
Michigan	<a href="#">HB 4123</a>	Allow use of clean water assistance and safe drinking water assistance funds for energy-efficiency water works projects	Rep. Beth Griffin	Signed into law
Michigan	<a href="#">HB 4248</a>	Establish program for testing and removing lead in drinking water used by schools and child care centers	Rep. Cynthia Neeley	Referred to committee
Michigan	<a href="#">HB 4314</a>	Require remedial cleanup efforts to include meeting residential and safe drinking water standards, unless not technically feasible	Rep. Yousef Rabhi	Referred to committee
Michigan	<a href="#">HB 4469</a>	Fund various projects through Natural Resources Trust Fund, including pilot program to restore wetlands and reduce nutrient runoff	Rep. Sue Allor	Signed into law
Michigan	<a href="#">HB 4470</a>	Increase penalty for illegally taking lake sturgeon	Rep. Sue Allor	Referred to committee

State/Province	Bill	Description	Author/Sponsor	Status
Michigan	<a href="#">HB 4518</a>	Ban use of flowback water from hydraulic fracturing process on dirt roads as a dust suppression tool	Rep. Kara Hope	Referred to committee
Michigan	<a href="#">HB 4903</a>	Allow draw-down of inland lake levels under certain emergency circumstances	Rep. Annette Glenn	Referred to committee
Michigan	<a href="#">HB 5285</a>	Establish advisory council to combat online sale of aquatic invasive species	Rep. Sarah Anthony	Referred to committee
Michigan	<a href="#">HB 5330</a>	Create a grant/loan program for local governments to fund water management and infrastructure projects that include climate resiliency planning	Rep. Christine Morse	Referred to committee
Michigan	<a href="#">HB 5342</a>	Prohibit state from issuing or enforcing a prohibition on entering water because of waves or currents	Rep. Luke Meerman	Referred to committee
Michigan	<a href="#">HB 5411</a>	Ban use of single-use plastic containers by hotel and lodging establishments	Rep. Tullio Liberati	Referred to committee
Michigan	<a href="#">HB 5576</a>	Strengthen penalties for owners/operators of vessels over 700 feet that deploy, drag or set anchors, chains and cables in Straits of Mackinac	Rep. Rachel Hood (GLLC member)	Referred to committee
Michigan	<a href="#">HB 5580</a> and <a href="#">SB 751</a>	Require each water utility to have plan to switch to backup power source during power outages	Rep. Abraham Aiyash and Sen. Erika Geiss	Referred to committees
Michigan	<a href="#">HB 5581</a> and <a href="#">SB 747</a>	Create the Michigan Climate Resiliency Corps Act, including projects to address flooding and high water	Rep. Yousef Rabhi and Sen. Stephanie Chang	Referred to committees

State/Province	Bill	Description	Author/Sponsor	Status
Michigan	<a href="#">HB 5661</a> and <a href="#">SB 813</a>	Establish agency authority to issue written emergency orders when inland lakes and streams are threatened with harm; allow regulators to order responsible parties to conduct immediate cleanup	Rep. Julie Rogers and Sen. Sean McCann	Referred to committees
Michigan	<a href="#">HB 5782</a> and <a href="#">SB 840</a>	Budget for environment, including various Great Lakes projects	Rep. Annette Glenn and Sen. Jon Bumstead	Referred to committee
Michigan	<a href="#">HB 5865</a>	Expand reach of state water pollution control revolving fund and safe drinking water revolving fund	Rep. Rachel Hood (GLLC member)	Referred to committee
Michigan	<a href="#">HB 5878</a>	Allow creation of districts to promote water use and sewage treatment improvements	Rep. Pat Outman	Referred to committee
Michigan	<a href="#">HB 5890-5892</a>	Update provisions on water revolving loan programs to improve access for rural communities	Rep. Beth Griffin, Rep. David Martin and Rep. Sara Cambensy	Referred to committee
Michigan	<a href="#">HB 5953</a> and <a href="#">SB 987</a>	Affirm that all of Michigan's water, including groundwater, is held in public trust	Rep. Yousef Rabhi	Referred to committee
Michigan	<a href="#">HB 5954</a> and <a href="#">SB 988</a>	Modify definition of "consumptive use" in water withdrawal statute	Rep. Rachel Hood (GLLC member)	Referred to committees
Michigan	<a href="#">HB 5955</a>	Explicitly authorize Department of Natural Resources to protect water in its jurisdiction	Rep. Laurie Pohutsky	Referred to committee
Michigan	<a href="#">SB 58</a>	Require cleanups of environmental contamination to meet residential and safe drinking water standards	Sen. Jeff Irwin (GLLC member)	Referred to committee
Michigan	<a href="#">SB 61</a>	Expedite expedited permit processing for shoreland projects during periods of high water	Sen. Roger Victory (GLLC member)	Referred to committee

State/Province	Bill	Description	Author/Sponsor	Status
Michigan	<a href="#">SB 82</a>	State budget; includes \$25 million in new funding to improve water quality and reduce phosphorus runoff in western Lake Erie basin, \$14 million for high water infrastructure grants, \$15 million to address responses to drinking water contamination, and \$14.5 million for PFAS remediation	Sen. Roger Victory (GLLC member)	Signed into law
Michigan	<a href="#">SB 108</a>	Require enclosure of piles of coke, other bulk solid materials to prevent pollution	Sen. Stephanie Chang (GLLC member)	Referred to committee
Michigan	<a href="#">SB 124</a>	Require reporting of failed dock or wharf that may cause water pollution	Sen. Erika Geiss (GLLC member)	Referred to committee
Michigan	<a href="#">SB 184</a>	Require schools to develop drinking water safety plans; prescribe procedure for schools to address high concentrations of lead in water; require installation of filtered bottle filling stations and filtered faucets in each school's safety plan	Sen. Curt VanderWall (GLLC member)	Passed by committee
Michigan	<a href="#">SB 185</a>	Require child care centers to develop drinking water safety plans; prescribe procedure for center to address high concentrations of lead in water; require installation of filtered bottle filling stations and filtered faucets in each center's safety plan	Sen. Jim Ananich (GLLC member)	Passed by committee
Michigan	<a href="#">SB 228</a>	Exempt permit requirements for certain activities or structures along the Great Lakes shoreline that occur above the statutory ordinary high-water mark and that seek to stabilize shoreline	Sen. Ed McBroom	Referred to committee
Michigan	<a href="#">SB 471</a>	Allow for emergency orders, under certain circumstances, to draw down inland lake levels	Sen. Jim Stamas	Referred to committee

State/Province	Bill	Description	Author/Sponsor	Status
Michigan	<a href="#">SB 494</a>	Reauthorize Michigan Agriculture Environmental Assurance Program; extend fees and modify laws, funds and regulations related to agriculture conservation	Sen. Kevin Daley	Referred to committee
Michigan	<a href="#">SB 676</a> and <a href="#">SB 677</a>	Remove certain legal hurdles, expand timelines for individuals impacted by PFAS contamination	Sen. Winnie Brinks (GLLC member)	Referred to committee
Michigan	<a href="#">SB 743</a> and <a href="#">SB 744</a>	Create a Great Lakes maritime office; establish Great Lakes maritime grants	Sen. Wayne Schmidt and Sen. Stephanie Chang (GLLC members)	Referred to committee
Michigan	<a href="#">SB 563</a>	Require municipalities to post on their websites information on beach safety and anti-drowning techniques	Sen. Kimberly LaSata	Referred to committee
Michigan	<a href="#">SB 565</a>	Allocate new money (mix of federal and state funds) for water infrastructure (removal of lead pipes, upgrades to drinking water, sewer and wastewater systems) and PFAS remediation and testing	Sen. Jon Bumstead	Signed into law
Michigan	<a href="#">SB 593</a>	Allow local municipalities to develop their own stormwater utility systems and legally collect fees for such systems	Sen. Rosemary Bayer (GLLC member)	Referred to committee
Michigan	<a href="#">SB 991</a>	Establish requirements for distance between underground storage tanks and public water supply systems	Sen. Rick Outman	Referred to committee
Michigan	<a href="#">HCR 8</a>	Memorialize U.S. Congress to include sewer separation, other projects intended to reduce sewer overflows in infrastructure funding bills	Rep. Douglas Wozniak	Referred to committee

State/Province	Bill	Description	Author/Sponsor	Status
Michigan	<a href="#">HCR 13</a>	Call on state of Michigan to act quickly to replace lead service lines that have contaminated drinking water sources in city of Hamtramck	Rep. Abraham Aiyash	Referred to committee
Michigan	<a href="#">HR 25</a>	Urge governor to establish statewide goal of conserving at least 30 percent of land, 30 percent of water in state by 2030	Rep. Sarah Lightner	Referred to committee
Michigan	<a href="#">HR 186</a>	Call on state of Michigan to act quickly to replace lead service lines that have contaminated drinking water sources in city of Hamtramck	Rep. Abraham Aiyash	Adopted by House
Minnesota	First Special Session <a href="#">HF 5</a> and <a href="#">SF 20</a>	Omnibus bill for funding environment and natural resources; includes funds for University of Minnesota Aquatic Invasive Species Research Center, new grants to fight invasive species, a ban on sale of food packaging containing PFAS, money to replace septic systems, funds for new water quality and storage program, fund to reduce chloride pollution	Rep. Rick Hansen (GLLC member) and Sen. Bill Ingebrigtsen	SF 20 signed into law
Minnesota	First Special Session <a href="#">HF 13</a> and <a href="#">SF 21</a>	Provide funding for various projects (through Legacy Finance Bill) to protect wetland and restore water quality; includes new investments in practices that promote soil health and best practices in nutrient management	Rep. Leon Lillie and Sen. Carrie Ruud (GLLC member)	Special Session HF 13 signed into law
Minnesota	<a href="#">HF 30</a> and <a href="#">SF 166</a>	Appropriate money for environment and natural resources trust fund	Rep. Rick Hansen (GLLC member) and Sen. Bill Ingebrigtsen	See Special Session <a href="#">SF 20</a>
Minnesota	<a href="#">HF 78</a> and <a href="#">SF 156</a>	Define perfluorochemicals as hazardous substance under Minnesota Environment Response and Liability Act	Rep. Ami Wazlawik and Sen. Karla Bigham (GLLC member)	Referred to committees

State/Province	Bill	Description	Author/Sponsor	Status
Minnesota	<a href="#">HF 91</a> and <a href="#">SF 167</a>	Ban perchloroethylene, establish cost-share program funding	Rep. Rick Hansen (GLLC member) and Sen. Bill Ingebrigtsen	<b>HF 91 signed into law</b>
Minnesota	<a href="#">HF 99</a> and <a href="#">SF 369</a>	Appropriate \$15.5 million in bond proceeds to conserve land and protect water, soil quality	Rep. Rick Hansen and Sen. Carrie Ruud (GLLC members)	Referred to committees
Minnesota	<a href="#">HF 151</a> and <a href="#">SF 690</a>	Make appropriations for environment and natural resources trust fund	Rep. Rick Hansen (GLLC member) and Sen. Bill Ingebrigtsen	<b>HF 151 reported out of committee</b>
Minnesota	<a href="#">HF 157</a> and <a href="#">SF 247</a>	Ban manufacture, sale of fishing tackles that contain lead	Rep. Peter Fischer and Sen. Charles Wiger	Referred to committees
Minnesota	<a href="#">HF 242</a> and <a href="#">SF 72</a>	Allow repair, replacement of subsurface sewage treatment system to be financed through agriculture best management practices loan program	Rep. Ami Wazlawik and Sen. Karla Bigham (GLLC member)	Referred to committees
Minnesota	<a href="#">HF 508</a> and <a href="#">SF 251</a>	Establish tax credit for agricultural riparian buffers	Rep. John Poston and Sen. Rich Draheim	Referred to committees
Minnesota	<a href="#">HF 544</a>	Provide low- and no-interest loans to renovate rural municipal water treatment facilities	Rep. Duane Quam (GLLC member)	Referred to committee
Minnesota	<a href="#">HF 557</a> and <a href="#">SF 357</a>	Modify requirements for replacing wetland	Rep. Shane Mekeland and Sen. Andrew Mathews	Referred to committees
Minnesota	<a href="#">HF 661</a> and <a href="#">SF 1506</a>	Appropriate money for Forever Green Agriculture Initiative at University of Minnesota to improve conservation practices	Rep. Ginny Klevorn and Sen. Scott Dibble	<b>See Special Session <a href="#">HF 13</a></b>
Minnesota	<a href="#">HF 629</a> and <a href="#">SF 228</a>	Require studies on sustainability of groundwater, initiate pilot program, require report on artificial aquifer recharge	Rep. Steve Sandell and Sen. Charles Wiger	Referred to committees

State/Province	Bill	Description	Author/Sponsor	Status
Minnesota	<a href="#">HF 630</a> and <a href="#">SF 148</a>	Require more monitoring of PFAS and other contaminants in drinking water, more well testing; appropriate state dollars	Rep. Peter Fischer and Sen. Charles Wiger	Referred to committees
Minnesota	<a href="#">HF 639</a> and <a href="#">SF 1342</a>	Appropriate \$1.2 million to conserve environmentally sensitive lands (Minnesota Reserve Program)	Rep. Rick Hansen and Sen. Kari Dziedzic (GLLC members)	<a href="#">HF 639 reported out of committee</a>
Minnesota	<a href="#">HF 701</a> and <a href="#">SF 1113</a>	Establish soil-healthy farming goals, create related financial incentives	Rep. Todd Lippert (GLLC member) and Sen. Kent Eken	<a href="#">HF 701 reported out of committee</a>
Minnesota	<a href="#">HF 731</a> and <a href="#">SF 261</a>	Require study evaluating impact of storm water retention and infiltration in urban areas on groundwater and surface water, including potential for contamination from pollutants and effects on stream water flow, lake levels, and groundwater recharge	Rep. Paul Torkelson (GLLC member) and Sen. Bill Weber	Referred to committees
Minnesota	<a href="#">HF 839</a> and <a href="#">SF 778</a>	Establish grants to reduce amount of inflow and infiltration in wastewater systems	Rep. Rick Hansen (GLLC member) and Sen. Matt Klein	Referred to committees
Minnesota	<a href="#">HF 881</a>	Establish new criteria for when Pollution Control Agency may establish and enforce a water resource protection requirement for groundwater	Rep. Steve Green	Referred to committee
Minnesota	<a href="#">HF 885</a>	Allow for alternative wetland mitigation instead of wetland replacement under certain circumstances	Rep. Steve Green	Referred to committee
Minnesota	<a href="#">HF 886</a> and <a href="#">SF 1971</a>	Require monitoring of groundwater and surface water on state lands for nitrogen	Rep. Steve Green and Sen. Paul Utke	Referred to committees
Minnesota	<a href="#">HF 932</a> and <a href="#">SF 1037</a>	Establish, provide funds for water quality and storage program	Rep. Peter Fischer and Sen. Fong Hawj	Referred to committees

State/Province	Bill	Description	Author/Sponsor	Status
Minnesota	<a href="#">HF 936</a> and <a href="#">SF 1036</a>	Establish, appropriate funds for a soil health cost-share program to improve water quality, among other objectives	Rep. Todd Lippert (GLLC member) and Sen. Foug Hawj	See Special Session <a href="#">HF 13</a>
Minnesota	<a href="#">HF 953</a> and <a href="#">SF 1853</a>	Require public notification of sewer facility overflow, wastewater bypass or wastewater release	Rep. Rick Hansen (GLLC member) and Sen. Foug Hawj	Referred to committees
Minnesota	<a href="#">HF 989</a> and <a href="#">SF 881</a>	Provide funding for soil and water conservation districts	Rep. Paul Marquart and Sen. Carrie Ruud (GLLC member)	Referred to committees
Minnesota	<a href="#">HF 1010</a> and <a href="#">SF 793</a>	Provide funds for statewide soil health action plan development funding provided, precision agriculture research and outreach, agricultural best management practice loan program	Rep. Todd Lippert (GLLC member) and Sen. Kent Eken	Referred to committees
Minnesota	<a href="#">HF 1014</a> and <a href="#">SF 839</a>	Evaluate, apply whole effluent toxicity as water-quality-based effluent limitations and permit conditions for discharges occurring outside Lake Superior basin	Rep. Paul Marquart and Sen. Mark Johnson	Referred to committees
Minnesota	<a href="#">HF 1033</a>	Designate perfluorochemicals designated as hazardous substance	Rep. Ami Wazlawik	Referred to committee
Minnesota	<a href="#">HF 1076</a> and <a href="#">SF 959</a>	Appropriate funds for various environmental programs, including water quality and protection	Rep. Rick Hansen (GLLC member) and Sen. Bill Ingebrigtsen	See Special Session <a href="#">SF 20</a>
Minnesota	<a href="#">HF 1079</a> and <a href="#">SF 971</a>	Appropriate money from Clean Water Fund	Rep. Leon Lillie and Sen. Carrie Ruud (GLLC member)	See Special Session <a href="#">HF 13</a>
Minnesota	<a href="#">HF 1100</a> and <a href="#">SF 1000</a>	Issue bonds, appropriate money for clean water	Rep. Luke Frederick and Sen. Gene Dornink	Referred to committees
Minnesota	<a href="#">HF 1155</a>	Provide funding to implement program that reduces sources of PFAS in drinking water	Rep. Peter Fischer	Referred to committee

State/Province	Bill	Description	Author/Sponsor	Status
Minnesota	<a href="#">HF 1177</a>	Provide a grant to develop a farmer-owned cooperative working to commercialize perennial and winter annual crops	Rep. Todd Lippert (GLLC member)	Referred to committee
Minnesota	<a href="#">HF 1237</a> and <a href="#">SF 1851</a>	Designate perfluorochemicals as hazardous substance, other provisions	Rep. Rick Hansen (GLLC member) and Sen. Founq Hawj	Referred to committee
Minnesota	<a href="#">HF 1257</a>	Require a cost equity study on public water and wastewater services	Rep. Ron Kresha	Referred to committee
Minnesota	<a href="#">HF 1294</a>	Prohibit water-use permits that appropriate “vintage groundwater,” require public meetings for certain water-use permits	Rep. Rick Hansen (GLLC member)	Referred to committee
Minnesota	<a href="#">HF 1296</a> and <a href="#">SF 566</a>	Repeal recent restrictions on spreading manure, ban future restrictions	Rep. Josh Heintzeman and Sen. Bill Weber	<a href="#">See Special Session SF 20</a>
Minnesota	<a href="#">HF 1491</a> and <a href="#">SF 1110</a>	Ban issuance of new water-use permit to appropriate water in excess of 1 million gallons per year for bulk transport sale of water for consumptive use to location more than 50 miles from point of proposed appropriation	Rep. Rick Hansen and Sen. Carrie Ruud (GLLC members)	Referred to committees
Minnesota	<a href="#">HF 1506</a> and <a href="#">SF 1389</a>	Appropriate money to advance mining technologies that better protect water quality	Rep. Julie Sandstede and Sen. David Tomassoni (GLLC member)	<a href="#">See Special Session SF 20</a>
