*September 23-24, 2022*

*InterContinental Chicago Magnificent Mile*

*Chicago, Illinois*

### **TRAVEL SCHOLARSHIPS**

A limited number of travel scholarships are available to GLLC members. Members will be notified of their eligibility shortly after receipt of their registration. If you are requesting a travel scholarship, please read the following information carefully.

- Priority for travel scholarships will be given to those GLLC members who currently serve on Caucus committees or task forces.
- Caucus members will be reimbursed for **up to \$700 of their own actual travel and lodging expenses** related to attending the GLLC meeting. Reimbursement is subject to approval of qualified expenses (e.g., transportation-related costs, lodging, meals not provided during the meeting).
- Members may use their scholarships to cover lodging expenses for the nights of September 22, 23, and/or-24, depending on their travel requirements.
- To be eligible for reimbursement, **members must attend the entire business meeting on September 24** and any ancillary GLLC events for which they register to participate (e.g., site visit and/or Nutrient Management Task Force Meeting on September 23). Members are advised to make their travel plans accordingly to avoid receiving a prorated travel scholarship.
- After the meeting, requests for reimbursement must be received by CSG Midwest no later than **October 21, 2022**.
